DESCRIPTION

25 Ta Life's *Fallen Angel* EP was released in 2006, and dedicated to Ahileas "Archie" Kalafatis. from Strong Islands Boys. 25 Ta Life are one of the only DIY NYHC bands left that still put out a record and tour as much as humanly possible these days. This time around, Rick and company make a record that is not only well-produced, but straightforward NYHC, heavy, metallic, fast, and dirty as all hell. One of the best parts of the record is the fact Rick's unique vocal style is more discernable this time around, and that small improvement makes the record more enjoyable, for those sing-a-longs, and pile-ons.

Like other previous 25 Ta Life releases, this one retains all the same familiar themes, ranging from "lost friends" (RIP Archie), "keeping it real" (We Got The Spirit), "saying **** the haters" (I'm Your Enemy), and reminding fans about everything that good honest hardcore is about. With *Fallen Angel*, Rick's ever-revolving line-up delivers the tightest and best release since their early days on Triple Crown. Glad to have you back.
